Remarks

Charming Log Cabin with Workshop in White Lake A Rare Find! Please check agent only remarks for showings, Discover a unique opportunity to own an authentic log cabin nestled on over an acre of wooded land in the heart of White Lake. This property offers a perfect blend of up north tranquility with the convenience of nearby shopping, dining, and amenities. The cabin boasts rustic charm, old world craftsmanship with modern updates, including a new metal roof installed in 2020, designed to last up to 100 years. A brand-new well pump and water softener were added in 2024, along with a new water heater in the cabin (2023). A standout feature of this property is the spacious workshop, fully equipped with its own kitchen and full bathroom along with a new furnace and water heater. ideal for woodworking enthusiasts or easily convertible into additional living space or mother in law suite. The former owner was a woodshop teacher, making this a true craftsmans dream. For those seeking a business opportunity, the cabin has operated successfully as an Airbnb for the past two years, generating steady income. Whether you want to continue the Airhnb business or make this your personal retreat. the choice is yours. This property is very unique and will not last long. Come see for yourself
